Dive Bar: Jimmy's City, State: Herndon, VA Your Name: FOC Date: Many

<p>Antiquity</p> 	<p>A good dive bar never updates its décor. Ever. With the exception of beer signs, tacky pictures and random crap bolted to the walls. If you even use the word décor in a dive bar you will be punched in the face. How far back in time does this dive bar take you? If you see any outstanding relics list them here.</p> <p><i>Not quite as much of a dive as when it was named Foot Anakin's, but it still has a dive bar feel despite not being a total crap hole. Vintage beer signs &amp; trays, classic board games including Ouija, old vanity license plates and a decrepit croc head decorate the walls. A life-sized cardboard Elvis holds his maracas and watches the action from the back door.</i></p>
<p>Low Cost Swill</p> 	<p>Cans of Pabst. Pitchers of High Life. Need we say more? What rock bottom poison did you down and how easy was it on your wallet?</p> <p><i>We've spent enough cash here that we sometimes get shots on the house, and we don't even have to present our frequent drinkers cards. Spend and ye shall be rewarded. Tip well and they will ring the bell.</i></p>
<p>Filth</p> 	<p>The thicker the layer of dust, the richer the history. If you can take a core sample of grime and learn things about the last several decades then you are in the right place. Give us the dirt here.</p> <p><i>For the most part, confined to the bathroom... unless you count air pollution.</i></p>
<p>Stench</p> 	<p>Relish the scents of cigarette butts, old beer, vomit and unwashed alcoholics. Don't be fooled by the sickeningly overpowering perfume blasting stench box in the bathroom. It reeks in here! Take a whiff and write the first thing that comes to your mind.</p> <p><i>If you're not a smoker when you enter, you will be when you leave. Jimmy's is smokiest bar in the history of the world. 50% of the air in here is smoke. Make sure to bring your own supply of oxygen!</i></p>
<p>Graffiti</p> 	<p>One should always have reading material when taking a whiz or dropping the kids off at the pool, although you shouldn't even think of sitting down on the piss covered seat in this joint, if there even is a seat. What better things to read than the rambling nonsense of fellow drunks? A good dive bar's hallowed <a href="#">bathroom walls will have lots to say</a> and contain much wisdom, like who is a homo. Write your favorite sayings here.</p> <p><i>None to be seen.</i></p>
<p>Rockin' Tunes</p> 	<p>It's very important to have an arsenal of 80s metal (or classic rock if you're even older) at your disposal at all times. This sets the mood for the dive bar experience. A jukebox is a must. DJs should be shot on site. List the music source and classic tunes that you played or heard here.</p> <p><i>Sadly, there is no jukebox. But the DJs are bartenders, so they spin fun tunes not club shit (unless there are enough bimbos begging for it).</i></p>
<p>Amusements</p> 	<p>All proper dive bars should have pinball machines or classic arcade games, and we're not talking about Golden Tee, pretty boy. Although modern, bar top touch-screen games with nudie Photo Hunt are always a plus. Space permitting, run down, coin-operated pool tables are also a sign of a good dive bar. If you spot and/or play any games, list 'em here.</p> <p><i>Foosball. Tic Tac Strike shuffle bowling. Classic board games. Jenga. A dirty bucket of Legos for the kids. Win prizes playing Musical Chairs and Jeopardy. Sometimes the bartenders blow alcohol fireballs. Look for the burnt ceiling.</i></p>
<p>Vermin</p> 	<p>Insects are an important part of our ecosystem, and dive bars are a perfect environment for them. If honey bees weren't so stupid they'd nest in these safe havens instead of dying off like a bunch of pussies. List the creepy crawlies you spot here. Feel free to name them, and then squash them just for fun. If you spot any rodents or other vermin, list them here too.</p> <p><i>Observed two flies mating on our table. Seriously.</i></p>
<p>Hazards</p> 	<p>The world is a dangerous place. This is what makes life interesting. Every good dive bar should have its hazards, from rotting floors to seedy derelicts. List them here.</p> <p><i>If you're not careful, you might get nailed by the bathroom door opening. And the urinal is so close to the sink that the guy cleaning up next to you might accidentally wash your dick. Last time we were there we saw an old man slip down the stairs and fall on his ass. Luckily, the Grim Reaper was too drunk to notice.</i></p>
<p>Distinguishing Characteristics</p> 	<p>What makes this place so special? Does the bartender have big tits? Do they allow dogs to roam around freely and take dumps on the floor? Do they happen to have <a href="#">the best glory hole in town</a>? Use this space to list this dive bar's distinguishing characteristics.</p> <p><i>Not at the top of the dive-o-meter by any means, but it has that relaxed dive bar feel we crave and they're good to drunks like us. The official start and end of our Tour de Cocktails bike bar crawl.</i></p>
